The section provides opportunities for mediators, arbitrators, and litigators to network, learn about the most effective techniques in each type of alternative dispute resolution, and attend interesting CLEs and conferences.

Who Belongs?

The ADR Section is for attorney-mediators, attorney-arbitrators, and attorneys who are frequently in mediation and/or arbitration. We also offer affiliate membership for law faculty and students.

Mentoring

At our Mentoring Academy for Attorney-Mediators and Arbitration Advocacy Institute, attendees practice new techniques and receive live, immediate feedback. We also offer free monthly forums for mediators and arbitrators for discussion of timely topics.

CLE

We frequently offer webinars on mediation, arbitration, technology and ethics. Most of our CLEs are also approved as CMEs, so mediators can earn dual credit for attending our webinars.
