The Arbitration Committee of The Florida Bar ADR Section's "Arbitrator's Forum" is designed to create a community of better arbitration neutrals in our state. We listen and learn from each other by talking through common arbitration challenges and how they might be better resolved. Arbitrators: Please join your fellow Florida neutrals each month to discuss what works, what puzzles you, and how you might improve your practice. **Keep your calendars marked for the monthly forum sessions! They are FREE and open to all:**
